## STEP 3 - Connect

---

### CONNECT VIA WEB CLIENT

If using Windows®, Mac®, Linux® or Chromebook™, attendees can connect using the Coalesce Meeting Place Edition (MPE) Web Client in Google Chrome®. We recommend using Google Chrome to connect.

Chrome can be downloaded from <http://www.google.com/chrome>.

Open Chrome and navigate to <http://www.joincoalesce.com>.

The Coalesce MPE Extension must be installed from the Chrome web store to share the screen. You will be prompted to do this the first time you go to [www.joincoalesce.com](http://www.joincoalesce.com).

To install the extension, click on the “get our extension” link, then click “add extension” to add the extension.

### CONNECT VIA WINDOWS CLIENT

To connect to the Coalesce via a Windows client, click download Windows client. Follow the on-screen instructions to install on the PC.

Once installed, double-click the Coalesce MPE icon to launch the application.

### JOIN A MEETING

Enter your name, the meeting ID, and an optional PIN number and then click the “Join Now” button.
