# Patch Panel Hinge Kit

## Specifications

**Construction:** 16-gauge steel

**Size:** RMT011: 1U high;  
RMT012: 2U high;  
RMT013: 3U high;  
RMT014: 4U high

## Package Includes

- (1) hinge bracket
- (2) nylon washers
- (2) silver thumb nuts
- (2) tapered screws, 3/8" long

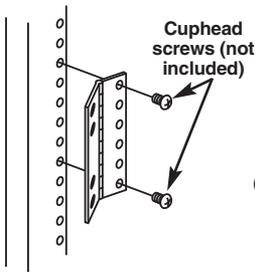

## Installation

1. Using (2) cuphead screws (not included), connect one side of the hinge bracket to the rail as shown in Figure 1.

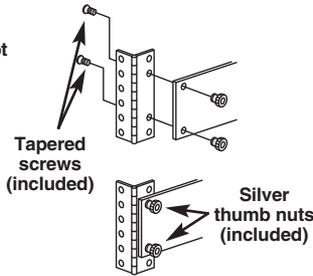

## NOTE

**Bracket holes support both 10-32 and 12-24 cuphead screws. Install cuphead screws first through holes in the bracket, then holes in the rack.**

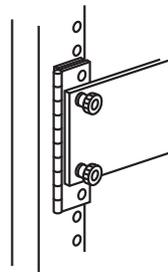

2. Insert the (2) 3/8" tapered screws into the tapered holes on the bracket, then install the silver thumb nuts. See Figure 2.
3. Figure 3 shows the final assembly of the hinged side of the kit.

**Figure 1. Attaching the hinge bracket to the rack.**

**Figure 2. Connecting the tapered screws to the bracket.**
